Dear final year students

Based on the R&D policy of the institution, all under graduate students undertaking research activity in the final year are eligible for Fleming research scholarship, for conducting quality research.

The management has increased the amount to Rs 3000 per students to a maximum of 10000 per project. The student can utilize this amount for purchase of chemicals, product development and analysis. You can also utilize to perform any part of study in other research centre

The scholarship will be sanctioned only after proper scrutiny by the R & D Department on the quality of work.
