Sir Namaste !!

Greetings from Apollo Pharmacy Division !!

It gives immense pleasure in introduction our company Apollo Hospital Enterprise Ltd, a company which has redefined healthcare in our country. We are serving healthcare Industry through our hospitals and pharmacies. The first Apollo pharmacy opened in Chennai in 1983. Since then, we have served over more than a Crore customers through our pharmacy chain.

We are looking for D.Pharm / B.Pharm/M pharm/ Pharm D passed for the post of "Pharmacist / Clinical Pharmacist" to join us in expanding our operations across the country and provide our services. Now in this year, we have new proposal to expanding our operations in kerala state also.

As a part of our Corporate Social Responsibility, we are focusing on creating Job opportunities for young boys & girls in your college locality. In this regards, we are willing to work in collaboration with your college for creating employment opportunities by conducting CAMPUS DRIVE in your college.

## PURPOSE

Engage in a bespoke graduate training and development program to gain knowledge and skills required to independently perform closely supervised entry-level duties in assigned role within the company. Demonstrate deep insight to IQVIA code of conduct, values, standard operating procedures, good clinical practice, and applicable regulatory requirements. Completion of the Graduate Program will not guarantee subsequent employment with the company.

## RESPONSIBILITIES

- Shadows and learns functions and/or project activities under close supervision.
- Complete appropriate therapeutic, protocol and clinical research training to perform job duties.
- Assignments are allocated to enhance and build upon the academic experience of the Graduate Program CRA Trainee (Graduate) who is the primary beneficiary of this job role. This job role is designed to enable the offer of a professional training program and requires the Graduate to continuously demonstrate learning progress per training curricula and supervisor feedback.
- Assignments will reflect the work being developed within the business department that are relevant for the Graduate development and may include working as a member of a project team or independently in closely supervised projects/assignments.
- Gain experience in study procedures by working with experienced clinical staff.
- Under close supervision, monitoring support activities in accordance with contracted scope of work and good clinical practices.
- Assist CRA in updating tracking systems as needed.
- Under close supervision, establishes regular lines of communication with sites to help manage ongoing project expectations and issues.
- Under close supervision, provide support to assigned studies by tracking regulatory submissions and approvals, recruitment and enrollment, and data query resolution. May also support start-up phase.
- Collaborate and liaise with study team members for project execution support as appropriate
- Under close supervision, perform other duties /learning activities as directed.

## REQUIRED KNOWLEDGE, SKILLS AND ABILITIES

- Fluency in English, good verbal and written communication skills to function within a professional work environment.
- Working knowledge of MS –Office suite of applications.
- Willingness to improve personal knowledge as it applies to supporting the company' objectives
- Basic organizational and problem-solving skills
- Working time management skills
- Ability to establish and maintain effective working relationships with coworkers, managers and clients
