Dear Prof. (Dr.) Badmanaban,

Good Morning from Mumbai.

We have one demonstration module AS30 HPTLC Sample Applicator of Biostep-DESAGA, Germany with us and we would like to offer you to use it in your laboratory for 2 years. This unit we will install in your pharmacy institute in next month (May 2023).

We hope that it is acceptable to you.

Kindly let us know your reply on above.

Best Regards,

Rajendra N Barabde
